1957

Lieutenant General E. Fronnell, fr. Ceputy Chief of Staff, Personnel Separtment of the Air Force Vachington 25, C. C.

PAT KORY:

As you know, there are a number of personnel from the military services assigned to duty with the Central Intelligence Agency. As individuals, and as a group, they make an extremely valuable contribution to our work and we are grateful to the Department of the Air Force for its cooperation in arranging for Air Force personnel to serve with us.

It has occurred to me that you and members of your staff who are concerned with the selection of personnel for assignment to this Agency might appreciate a brieflag on our organization, mission, and functions in order to better understand our requirements for and use of military personnel.

I should like to invite you and those members of your staff who are concerned with this problem to such a briefing on 5 September 1957. If you could join us for lunch at 1230 hours and remain thereafter for a briefing until about 1500 hours. I am sure that it would be mutually baneficial.

decerely,

J. P. Cabell Meutenent General, USAF Acting Director
